Mobile No.: 7980737823 , E-Mail: ankitkumardam97@gmail.com

As a first-year Computer Science and Engineering student, my career objective is to learn and grow in the field of technology. I aim to become a skilled software developer, solving problems and creating innovative solutions. I'm eager to gain practical experience, work with teams, and stay updated with the latest advancements. Ultimately, I want to build a rewarding career where I can apply my knowledge to make a positive impact, contributing to exciting projects and making a difference in the world through technology.

Academic Qualifications:

DEGREE	INSTITUTE	BOARD	YEAR OF PASSING	GRADES
B.TECH.	Academy Of Technology	AICTE	2027	2ND Semester CGPA – 8.39 3RD Semester - Pursuing
XII	Salkia Hindu School (High & Unit – II)	WBCHSE	2023	82.2%
X	Salkia Hindu School (High & Unit – II)	WBBSE	2021	87.42%

Areas of Expertise :
Proficient in HTML and CSS, I am currently honing my skills in JavaScript to enhance my frontend development capabilities. With the knowledge in C language and Python, I am well-versed in the fundamentals of programming and eager to expand my knowledge further.

Experience : As a 2ND year Student , I don't have any work experience . I had made small frontend projects like the clone website design of UBER & NETFLIX using HTML & CSS , A voice Assistant – Jarvis using python & Tic tac Toe game using HTML,CSS & JavaScript..

Awards & Merits :
Recently, I got 2nd prize in a CAD Design contest in Techfest , organized by Academy of Technology.
